

"R" Multi-Drawer Cabinet

"R" MULTI-DRAWER

For personalized space management, our multi-drawer cabinet will surprise you, not only with its attractive look but also with its amazing versatility. Whether you're placing an order for one cabinet, or for one thousand, our customer service representatives will gladly help you build just the cabinet your customer is looking for.

Four sizes of cabinets are available : 48" x 24", 48" x 27", 60" x 24" and 60" x 27". With the 48" wide cabinet you can create 2 banks of 24" wide and one bank of 48" wide drawers. With the 60" wide you can build a cabinet with 2 banks of 30" wide with a top bank of 60" wide. Or, one bank of 24" wide and another of 36" wide with a 60" wide on the top. Couple these choices with our 10 available drawer heights (3" to 14"), our 18 standard colors and our cabinet and drawer accessories and you can create a truly personalized cabinet.

This cabinet is available in either a mobile or a stationary version. The mobile cabinet has high quality casters, stabilizing bars to ensure the rigidity of the housing, a sturdy handle that guarantees a firm grip, as well as an integrated locking mechanism, which makes this cabinet ideal for mobile applications. Both models include a lock that allows all drawers to be locked with the turn of one key.

The multi-drawer cabinet is a versatile cabinet, available in a variety of colors.

Proposals - "R" Mobile Cabinet

Here are some of the possible mobile multi-drawer cabinet configurations. For a more personalized configuration, contact your customer service representative.

The mobile cabinet models have 6" casters, including 2 rigid and 2 swivel with total-lock brake system (polyurethane casters do not mark floors, high-quality industrial grade);

All cabinets include a standard cabinet lock (L3) as well as the integrated lock-in mechanism (A) on each drawer;

The mobile cabinets include stabilizing bars to ensure the rigidity of the housing;

For a safety hasp (LP), contact your customer service representative;

To add a stainless steel, galvanized steel, painted steel, steel with rubber mat, wood or marine edge stainless steel top;

Each model includes a handle on the side, which provides the user with a good grip for manoeuvring the cabinet.

IMPORTANT

Drawer partitions are included in models.

NOTE

For drawers without partitioning, complete the even number following the last two digits of the model.
